Brief Explanation of Circumstances: _____

Travel Information: Date of Travel: _____ Date of Return Trip: _____

Departure City: _____ Destination City: _____

Companion passenger(s) Name(s): _____ Weight _____

Address: Street/City/State/Zip: _____

IMPORTANT INFORMATION FOR APPLICANT:

1. Pilots for Christ International, Inc. Minnesota Chapter ("PCI") facilitates access to free air transportation through FAA-certified volunteer pilots who have offered their assistance to fly and/or transport persons in need, as indicated above.
2. PCI will consider any reasonable request for urgent travel to fulfill the needs listed above. However, to be good stewards of the resources God provides PCI, we seek to focus our services on individuals and families during their critical time of need and must prioritize our resources accordingly.
3. Our pilots are responsible for the number of passengers and weight limit of baggage. Their concern is your safety and therefore have the final decision. Baggage in excess of 40 pounds per person may not be accommodated.
4. PCI does not arrange ground transportation or lodging before or after the flight; this is the patient's responsibility.
5. Weather and maintenance can impact flight plans. Patients should have a back-up plan if we must cancel our flight.
6. Passenger(s) must be ambulatory and able to get in and out of the aircraft with minimal assistance.
7. There are no in-flight services such as lavatories, food, or beverage. Passengers should keep this in mind.
8. PCI volunteers are not able to provide any medical service before, during, or after the flight.
9. We cannot accept a flight request if the patient requires any special medical equipment such as life support equipment, incubator, etc., although a wheelchair or oxygen in an FAA-approved container may be accepted.
10. We may request a letter from a doctor indicating that the person can travel.
11. The FAA does not require volunteer pilots to meet the same standards as pilots who conduct commercial operations.

We appreciate your understanding of our guidelines in order that we may more effectively serve those in need.
