We will stay at the YMCA of the Rockies at Estes Park Center, which boasts an exciting array outdoor and indoor activities, sports, crafts and meals. On-site complimentary recreation includes miniature golf, basketball, volleyball, tennis, indoor swimming, hiking trails, playgrounds, library, and family programs. Archery, mountain bike rentals, and craft projects are available on-site for a fee. There will be free time available to take in some YMCA activities (there is a long list <https://www.ymcarockies.org/>), hike or even enjoy a driving tour of Rocky Mountain National Park (<https://www.nps.gov/romo/index.htm>).

The conference fee of \$110 will provide for our guest speakers, Dinner on Friday, Breakfast & Dinner on Saturday and Sunday Breakfast making this a great value for the money. Saturday lunch is available for purchase on premises or in Rocky Mountain National Park for those interested in joining our driving tour.

While the room charges will be up to each attendee, we have secured an amazing low rate of \$114 per night, which we are confident you will find to be an unbeatable bargain.

Please secure your room with [YMCA Lodging](#) before August 12 to secure this rate and achieve our minimum required guest room reservations.
