shiftboard®

online scheduling, simplified

When you join Pilots for Christ International, you have a unique opportunity to view available missions, events, and donation funding, through <http://www.shiftboard.com/pilotsforchrist>. This site offers member profile updates for your personal information, flying experience, and you can also confirm posted flights, RSVP to help at events, and see many opportunities to help others through donation funding of special requests for urgent travel. PCI Board members can review membership lists, post missions and print reports about our ministry flights and grant opportunities. You are encouraged to view this site, at least weekly, to keep current on news and information that can help you stay involved in Our Lord's work, through the calendar and personal data updates.

[Shiftboard.com/pilotsforchrist/](http://www.shiftboard.com/pilotsforchrist/) is not a social networking site, but it is a site that allows both Chapter members and At-Large members the ability to review missions, events, and other organization opportunities, in their area. Each member is assigned to a Chapter team or can remain (at-large) and all members are assigned to The International Team. Most members are also assigned to areas within the US. As an example, members living within the Eastern 3rd of the US can be assigned to the Eastern Area, where members in MN, WI, MI, IL, IN can be assigned to the Great Lakes Team.

Wherever you have memberships, you can receive broadcast messages concerning, available missions and news and event postings. If they don't pertain to you just ignore them.

Please take a few moments per week to view the www.shiftboard.com/pilotsforchrist/ site.

At Large Members

(60) of our current members within Pilots for Christ International are (at-large) members. They are a vital and important part of this organization and we encourage them to stay involved and keep their information updated, as Our Lord continually presents missions and opportunities for PCI members to contribute to God's work.

12/6/2011- I would like to thank your organization and (PCI Officer) and a huge thank you to Rick Durham (At Large Member Texas). I have never realized there are such caring and giving people in this world, you have restored my faith in humanity. I will probably never be able to repay the gift I was given, but a Nurse Assistant I will share my caring and giving soul to the people I care for. God Bless all of you and thank you for caring enough to get me home for my fathers surgery.

<http://www.shiftboard.com/pilotsforchrist/>

I hear from many of our (at-large) members and their willingness to help and assist others. Many are interested in starting chapters or just being involved with PCI in some manner, as their true motivation is serving Our Lord Jesus through love of aviation. A special thanks, to Jim Tracy (Washington Chapter) for his work in Oregon, Idaho and North Dakota, in his role as Regional Director. If anyone would like to work as a Regional Director, please contact me; timlaynepres@pilotsforchrist.org. Helping others to gain focus and commitment, by working with our (at-large) members.
