Isaiah 40:28-31, (What a blessing from Our Lord:)

28 Do you not know?

Have you not heard?

The LORD is the everlasting God,
the Creator of the ends of the earth.

He will not grow tired or weary,
and his understanding no one can fathom.

29 He gives strength to the weary
and increases the power of the weak.

30 Even youths grow tired and weary,
and young men stumble and fall;

31 but those who hope in the LORD
will renew their strength.

*They will soar on wings like eagles;
they will run and not grow weary,
they will walk and not be faint.*

Luke 10:30-37

.....When he saw him, he was moved with compassion, came to him,
and bound up his wounds, pouring on oil and wine. **He set him on his
own animal**, and brought him to an inn, and took care of him.....

Being an autopilot creates many Christ centered opportunities to serve in
PCI. Our communities and shelters are full of individuals who simply
need a ride to get home or get to an aircraft for travel to family that
cares.

Ephesians 4:32

Be kind and compassionate to one another, forgiving each other, just as
in Christ God forgave you.

Pilots for Christ, N.E. Ohio is on the move. We are continuing to look for new
opportunities to serve the community in Cleveland/Akron, in the Tri-State area, and
beyond. We are doing our best to network by sending out support letters and looking
to join up with different organizations, which will hopefully ignite opportunities that
will allow us to use the gift of flight for the Gospel of Christ. We will hopefully be
helping Camp Patmos and Skyview Ranch with their Summer Camp ministries this
upcoming year. Skyview Ranch Camp has an Aviation Camp June 25th - July 1st that
we will be participating in to teach those interested in learning how to fly. We have a
fly into Kelleys Island up on Lake Erie in April or May with other local pilots to have
a Pancake Breakfast, see the sights of the Island and Camp Patmos, and to talk about
Pilots for Christ to those who may not have heard about us or know what we do. With
this being said, we will hopefully be helping Camp Patmos throughout the summer by
getting involved with their Family Camps in July and August, while having more
participants join in membership with Pilots for Christ N.E. Ohio. Lastly, we are
looking to join up with local churches to help them reach out to their communities if
family members or friends would be in need of an airplane to get them to their desired
destination more quickly and efficiently. God Bless everyone's efforts in 2012!

May we all make every effort to be "strong and healthy" of heart as we seek God to
carry on His will for Pilots for Christ! Although his physical heart is weak and worn,
his spiritual heart is strong and healthy, and we pray that God will grant this transplant
soon so that Fred can continue to help our chapter to serve others.

JT Rice North Dakota Chapter of Pilots for Christ booth at the Fargo AirSho 2011 The
JT Rice North Dakota Chapter of Pilots for Christ had a couple of great days at the
Fargo AirSho 2011. We enjoyed the company of Jim Tracy and His wife Sarah from
the Washington Chapter of Pilots for Christ at our booth for the weekend. We also
enjoyed the having Paul Pankratz, President of the Minnesota Chapter of Pilots for
Christ with us on Sunday. The weather was wonderful and the crowd was a record
setter! We distributed approximately 85 New Testament Bibles and made several
contacts for possible membership in the ND Chapter.
