Pilots for Christ International-Colorado Chapter

MEMBERSHIP APPLICATION

PILOTS FOR CHRIST INTERNATIONAL is a non-denominational group of pilots and aviation enthusiasts (you do not have to be a pilot to belong) dedicated to the promotion of the gospel throughout the aviation community. Representing practically every Christian denomination, we accentuate those Christian principles we hold in common, while leaving any differences in the hands of our Heavenly Father. We respect the rights of all persons to worship God in accordance with their conscience. The binding principles we hold in common are that we acknowledge Jesus Christ to be both true God and true man and accept Him as our personal Savior and Savior of the world.

Pilots for Christ regularly participates in a number of activities to include: transporting any person in need by flying and ground transporting, medical patients, their relatives, and ministers to and from mission stations; witnessing at air shows and other aviation gatherings; providing copies of God's word to local airports; and counseling and instructing youth groups about flying.

To further these ends, chapters are organized all over the world. Volunteer pilots do all the flying, and licensed drivers do all the driving, by using whatever aircraft and automobiles are available to them. The true strength of Pilots for Christ lies in our chapters. One member working alone can do many things for the Lord. But a chapter working together can accomplish near miracles in His name.

First year membership is \$35.00 (renewals \$25.00) and this includes our newsletter, and additional items to promote PCI. All contributions are tax-deductible. We invite you to join with us in Our Lord's work by becoming a member of Pilots for Christ International, the Lord's Air Force.

If you have a chapter in your area, get active in it. If you don't have a chapter, start one. It isn't hard; we'll help you do it.
